

OW51 Pixel Light

- Adopt integrated heat sink structural design, inner gluing, which speed up the process of heat dissipation, and ensure the luminous efficiency and lifetime.
- Apply 3-in-1 light source SMD5050, with even lighting output, unique anti-UV lampshade of PC and cover of stainless steel, all add up to the totally favorable optical effect.
- With powerful functions, and flexible control, resulting from the unique logarithmic dimming and optical mixing technique.
- Even light output, different CCT optional from single to RGB colors.

IP 65

Item NO.	System Power (W)	Light Color	Input Voltage	Dimension(mm)
OW514012	2.5	Single / RGB	DC 24V	L102xH34xW81
